Monthly Performance Report (Strictly Diesel)

We noticed an overall traffic growth in the campaign from the starting of the Project which is a result of our latest optimization efforts to increase the visibility of your website in the search engines.

Our next step is to continue with the offsite optimization and focus on minimizing the funnels drop-offs. This section presents the overall keyword ranking progress from the start of the campaign. For the next month, we plan to continue our optimization efforts and focus on the keywords which are not currently in Top 10.

Listed below are the organic keyword growth and organic traffic growth charts.
